ElevateHER

See It. Decide It. Move It. Build It.

You don't need to have everything figured out. Take 10 minutes to notice what matters, choose what comes next, and make a plan to follow through.

SEE IT — DECIDE IT — MOVE IT — BUILD IT

1 SEE IT | What deserves my attention?

What's one thing I want to strengthen, change, explore, or move forward? Why does it matter to me?

2 DECIDE IT | What's true here?

WHAT I KNOW

WHAT I ASSUME

WHAT I FEAR

A MOMENT OF FAITH

What am I being called to take responsibility for, and what do I need to trust God with?

3 MOVE IT | What's one meaningful step?

Within the next seven days, I will:

4 BUILD IT | How will I follow through?

I'll take this step on

If gets in the way, then I will

Transformation by Design. Not by Chance.
